Dear Sponsors, Participants and Suppliers,

Very much to our regret we have to inform you that we are forced to cancel the revival home tournament of Hockey Club Luxembourg that was being organised for June 24-26th.

The Luxembourg city counsel has decided to no longer give a license for a so called 'Nuit Blanche' to sports clubs. This means that we can not organize the tournament and the parties the way we planned and consider essential to make it a good tournament. In addition a different set up without the license would not make a tournament at this scale financially feasible.

We would like to thank you for your trust and confidence. And again we deeply apologise for this unexpected cancellation, hoping that a solution for the future can be found.
